**RE:** Idea...could-it-be: 'Roberts Cove Heritage Signage'

**WHEN:** 21<sup>st</sup> Germanfest 2015 and all the years to come!

**WHERE:** In the ground front left of German Heritage Museum entrance or wherever the Germanfest Association thinks for a location...where a person or group can stand pointing to their heritage name for a pic! Wonderful!

**HOW:** Heritage Sign:

1) A signage pole with slats listing the 36 Pioneer Families listed alphabetically by last name ... needing only one name of the duplicates!

2) The top of pole could read "Germany 5,121 miles!" (...Googled!)

3) The slat/piece with name would turn so as to be visible for individual or family pics all the years long!!
