How:

+ Please arrive 10 minutes before your scheduling taping and plan on approximately 45 minutes total.

+ You will be in front of the camera about 30 minutes, taping is not a live feed!

+ I will introduce you from your biographical sketch...there are no right or wrong answers, this is not a test! Specifics or statistics will not be asked of you! Questions will focus on your ministry, work, why do you do what you do, what best prepared you for this work and what does this work give you.

+ The jist of the matter...this is Holywood not Hollywood!

Airing Date: I will have that information on your taping day.
