

21 January 1996 – 5 January 1997, I invited Judge Billie Colombaro-Woodard to join Msgr. Irving A. DeBlanc and I for 'Building Bridges.' I would interview her in the first segment and then Msgr. joined us with questions and observations. A friend and song writer, Betty Ladas, performed for the musical interlude; Chester Daigle was the musical arranger and Ken Lowery offered his technical gift as Sound Board Monitor.
